

MinimaDecor

Minimalist Home Furniture
by **OASSO**

A stylish design for your furniture needs!

We carry out production and R&D operations in our factory of 80,000 m² making use of the world's newest technologies.

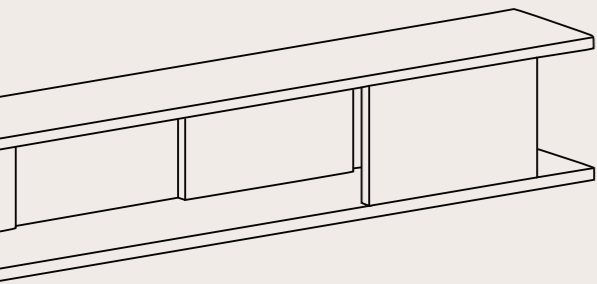

Always ahead thanks to our technologies!

Our manufacturing site is equipped with the production machineries, robots and production lines with superior German technology from Homag, and the painting line from Venjakob.

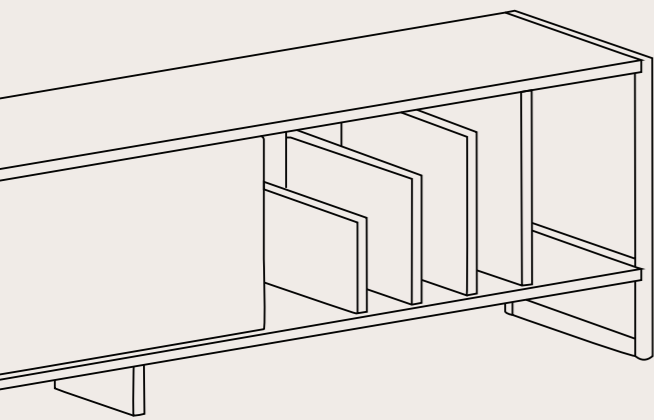

MinimaDecor
Minimalist Home Furniture
by OCASSO

INNOVATION WITH EXPERT STAFF!

The processes starting with R&D turn into products through expert staff. Our manufacturing site is the most innovative and modern furniture factory in Europe at international quality, design and manufacturing standards.

WE OFFER OUR DESIGNS TO THE WORLD.

Our operations are beyond the country's borders with exports to 8 countries in 3 continents. Taking advantage of exporting worldwide, we interact with many different cultures and reflect the inspiration we gain from them to our designs. We feed our creativity taking different characteristics from each culture into our organization.

USA Office & Warehouse

Deliveries in the USA from a warehouse of 30,000 m².

UK Office & Warehouse

Deliveries in Europe and the UK from a warehouse of 15,000 m².

WE DESIGN MINIMALISM WITH QUALITY

- Connection System:**
 The parts of the products are connected by the minifix connection system.

- Packaging System:**
 We package the products making use of filling materials at international standards to ensure they are delivered with no damage during transport. First Class double corrugated cardboards and honeycomb cardboards are used for the packaging.

- Installation & Mounting:**
 The products are shipped demounted. All the parts are numbered with a numbering method that makes it easy to mount the product. The package contains a detailed installation diagram, all types of apparatuses and connectors needed for the mounting and installation.

- Materials Used:** Our products are manufactured from First Class 18 mm particle boards / melamine coated chipboard at European E1 quality standards. Backrests are made of 6mm MDF.

- Accessories Used:** The accessories used in the products are First Class at European Standards. First Class slow motion hinges are used on the furniture doors. First Class PVC 0.8 tapes are used for all the parts of the products.

MinimaDecor Products

Channel Backrest

Easy to install without nails and no deformation in the products thanks to the channel backrest system.

Flap Stay

A holding arm on this flap stay mechanism makes the furniture doors to function systematically.

Laser Cut

These elegant lines are burnt with laser and painted. You will know that they are perfect.

Slow Motion Hinges

Slow motion hinges ensure slow and silent closure of furniture doors. You will feel peaceful and valuable every time you touch the furniture doors.

Easy to Install

You are given a detailed and specific mounting instructions to easily install the products. All the parts are numbered and, each mounting step is listed.

Extra Durability

No deformation and shaking thanks to scratch & impact resistant melamine coated chipboards, and perfectly calculated joints and legs.

Storage Capacity

A neat appearance with a wide storage and well-thought dimensions. This is ideal for you if you need a products that would bring a relaxation to your home.

Metal Legs

We bring the durability and modern design to the highest level with the quality metal legs complementing the look.

Wooden Legs

With these carefully processed wooden legs, you will have a modern and elegant look in your home.

Sliding Doors

These smartly designed sliding doors function perfectly every time, and cause no obstacle when they are open. Offer a spacious area to use.
