# WE DESIGN MINIMALISM WITH QUALITY

- **Connection System:**  
The parts of the products are connected by the minifix connection system.

- **Packaging System:**  
We package the products making use of filling materials at international standards to ensure they are delivered with no damage during transport. First Class double corrugated cardboards and honeycomb cardboards are used for the packaging.

- **Installation & Mounting:**  
The products are shipped demounted. All the parts are numbered with a numbering method that makes it easy to mount the product. The package contains a detailed installation diagram, all types of apparatuses and connectors needed for the mounting and installation.

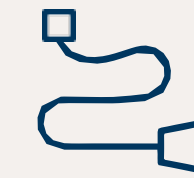

- **Materials Used:**  
Our products are manufactured from First Class 18 mm particle boards / melamine coated chipboard at European E1 quality standards. Backrests are made of 6mm MDF.

- **Accessories Used:** The accessories used in the products are First Class at European Standards. First Class slow motion hinges are used on the furniture doors. First Class PVC 0.8 tapes are used for all the parts of the products.
